Everything you need to conquer the RPA market!

ElectroNeek gives you the industry's only IT Service Provider focused no-code automation platform. Build sustainable recurring revenue quickly with a robust product training experience, extensive business tools, and templates.

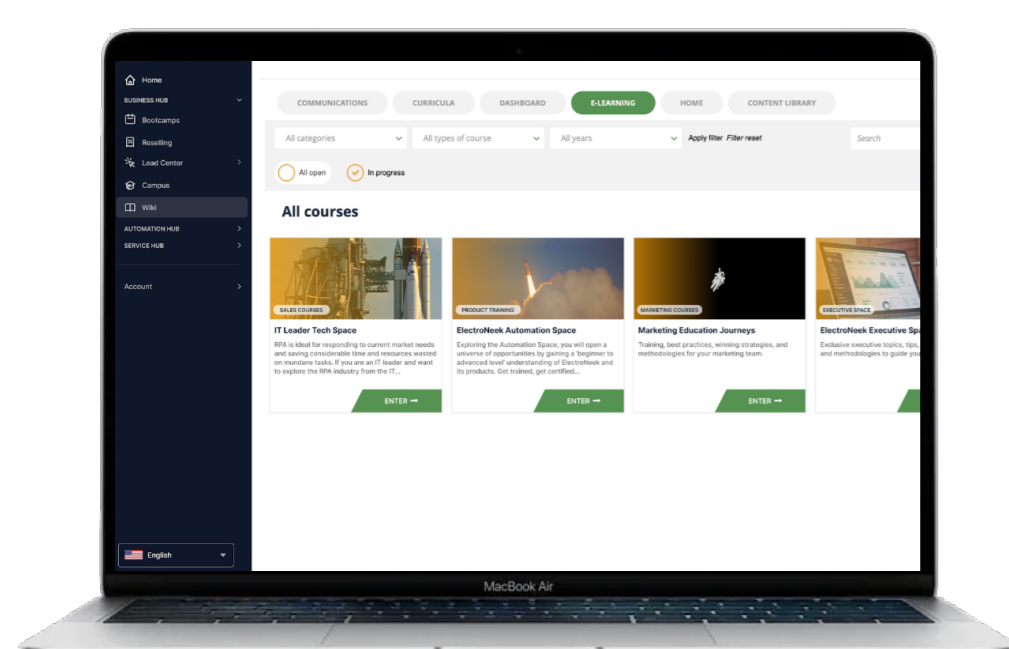

Build, Sell, and Support automation solutions.

Automation Hub

No-code tools make automation a snap!

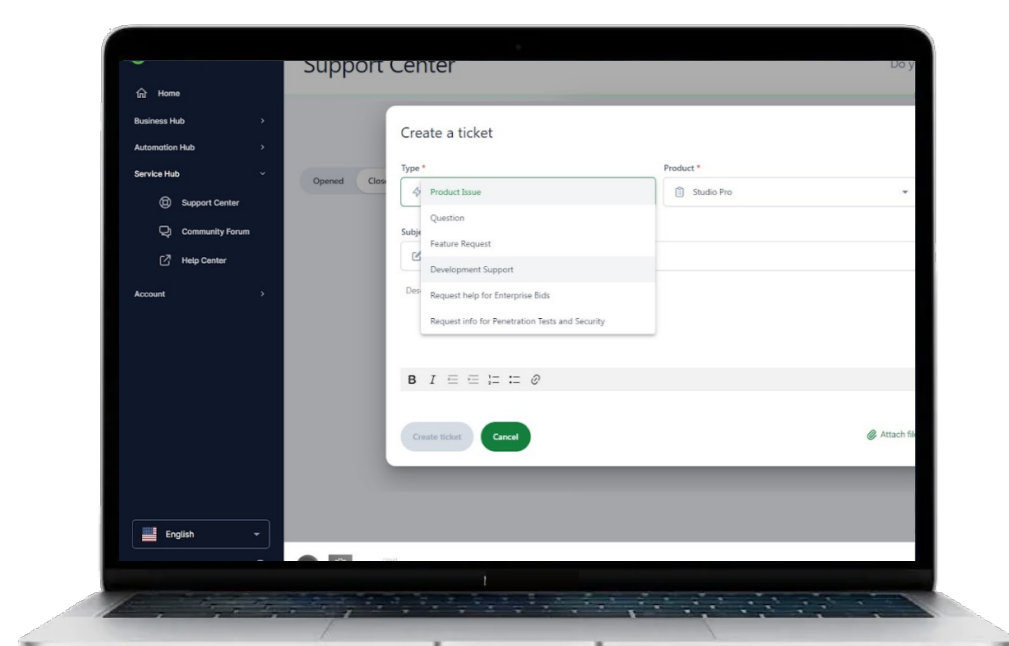

The Automation Hub includes the free-to-download Bot Runner and unlimited bots for your clients. Ready-made building blocks, integrations, and management for all your clients' needs.

Business Hub

A virtual MBA in RPA!

The Business Hub offers pre-made blueprints and templates to help you win your first deal and teach you how to sell and shift to a subscription-based recurring revenue model.

Service Hub

Technical support on-demand!

The Service Hub provides a Knowledge Base and a Community Forum to collaborate with other ElectroNeek members and experts. It also includes development support to assist with your first RPA project.

Simply Automate experienced rapid business growth within a year.

"We went from 7 to 42 clients in just one year, tripling our income. We now have clients from all over the globe, and with the ElectroNeek platform, we aim to sign over 200 more clients..."

Wilton Rogers III, CEO and Founder, Simply Automate

1) Forrester: The RPA Market Will Grow To \$22 Billion By 2025, February 22, 2022

About ElectroNeek
